About us

Sai Industries is a leading Agricultural Trailer & Implement Manufacturing and Trading company with a history of over a decade. Founded by a progressive farmer Shri Vyamkatrao Sarjerao More in 1988 at Satara, Maharashtra, the company envisioned to mechanize Indian agriculture completely. Initially, the company focused on the production of ^{Ajinkya} Agricultural Trailers but soon ^{for giving} a complete agricultural solutions to farmers started trading with Rohitkrishi, Valluvan Agro, Bhoomi Agro.

The company has effectively fulfilled the needs of customers with good service

and products. with our pursuit to perfection in all the ^{areas} ~~spheres~~ of the business, we

have made a strong presence in our

Local market. Our state of the art

manufacturing unit is equipped with

advance machinery, skilled and

experienced labour. We use best

quality of raw material and sustainable engineering designs for manufacturing

Vision

Our Vision for Sai Industries. is to be recognized as leading Agricultural Trailer and implement manufacturing company which serves good quality of products to farmers.

Mission

To educate the farmer to increase their yield with same efforts and same Expenses which they Expend traditionally
